

TRANSCRIBER INCENTIVES!

Transcribers are the reason we exist and we are thankful. If you are a transcriber, these are the ways that you can benefit:

-Transcribers anywhere who bring us accounts in any field will receive 5% of the gross of that account for THREE-YEARS. These transcribers will also receive quarterly documentation from Quickbooks in the form of Transaction Reports so they can verify their commissions. We track very carefully and accurately, if we didn't, no one would recommend us.

PLEASE CLICK HERE TO SEND REFERRAL or CLICK IN THE UPPER RIGHT CORNER OF THE PAGE.

In Addition, we take these measures:

-Your identity will remain confidential at all times.

-We ask that YOU DO NOT break any confidentiality agreements that you have signed with other companies.

-All Transcribers who work with us will get a small bonus at CHRISTMAS TIME. We make no promises as to amount but let's just say we like to be thankful and give back. We cannot exist without good transcribers.

-All Transcribers who are single mothers or stay-at-home moms or dads will receive an extra bonus at year's end. Again, it will be nothing significant and it will depend on how the company is doing overall, but we will do it and have done it in the past. It's just a way of saying "Thanks!"
